

ENVIRONMENTAL POLICY

Beach is committed to conducting operations in an environmentally responsible manner. To fulfill these objectives Beach will:

- Ensure management are demonstrating a commitment to environmental stewardship;
- Maintain and improve the HSE Management System including as appropriate developing applicable environmental standards and procedures;
- Establish environmental objectives and targets and implement programs to achieve them;
- Commit to and comply with relevant environmental management plans for each activity as required by the appropriate regulating authority;
- Avoid disturbance of known sites of archaeological, historical and natural significance and protect native flora and fauna in all areas of operation;
- Ensure that incidents, near misses, concerns and complaints are reported adequately, investigated and appropriate procedures implemented;
- Inform all employees and contractors of their environmental and cultural heritage responsibilities including consultation and distribution of appropriate environmental management guidelines, regulations and publications for all relevant activities;
- Ensure Beach has the resources and the skills necessary to achieve its environmental commitments;
- Include environmental performance in the annual performance appraisal of senior management.

Application of this policy resides with all employees and contractors sharing responsibility for its implementation.
