

Community Partnerships New Zealand

Taranaki Community Rugby Trust
Beach Farmland

At Beach, we're committed to being an active member in the communities we are part of, and collectively contributing to a more sustainable future. This includes investing in community-led projects that promote resilience, empowerment and positive change in the areas outlined below.

Education

Quality education allows people of all ages to develop personally and professionally, leading to greater employment outcomes and economic development. Beach recognises the importance of education and personal growth in any discipline, but especially those with a keen interest in STEM.

Environment

A healthy and sustainable natural environment allows local communities, economies and businesses to prosper. Beach is committed to understanding and respecting the environment, which includes forging partnerships aimed at protecting and conserving local ecosystems.

Health, safety and wellbeing

Local communities, economies and businesses flourish when people are safe, happy and healthy. Beach invests in initiatives that target community connection and inclusion, along with supporting organisations helping people in times of need.

Below are just a few examples of organisations and projects in New Zealand making a difference in the community.

Tuatara Enterprises

Following on from our support for the pilot program in FY22, this partnership helps to reinforce wellbeing in the secondary schools, recognising outstanding contributions to community wellbeing and encouraging youth to take a proactive approach to personal and community wellness.

Conductive Education Taranaki Trust

Empowering children with disabilities, to help create dedicated unique and innovative solutions to improve the wellbeing of these children.

Taranaki Community Rugby Trust

Through offering a 50% discount market rental in the lease of Beach farmland, the Rugby Trust are able to support their 17 528 participants in Rugby Development programs, annual club distributions and the support of referees.

Moturoa Primary School

The Wellness room was created to ensure whānau had a place within the heart of the school where they felt connected and belonged. This space is used by students, allowing quiet time, reflection and catering for those who need respite from a noisy playground and courtyard.
